23. Türkiye Kömür Kongresi ve Sergisi
23th International Coal Congress and Exhibition of Türkiye

Dear Colleagues,

We are pleased to inform you that the **23rd International Coal Congress and Exhibition of Türkiye (Coal Turkey 2024)**, which will be held in Zonguldak on September 12-13, 2024, has garnered significant interest and is eagerly anticipated.

Participants seeking to present their research at the conference through a paper are not required to submit an abstract beforehand. Instead, the deadline for submitting full-text papers is **May 30, 2024**.

Participants are requested to prepare their papers in accordance with the guidelines provided on the conference website (www.komurturkiye.org.tr) under the "Papers" section. Once completed, papers should be uploaded to the Paper Management System using the following link: <https://www.komurturkiye.org.tr/papers>

For any questions, comments, or suggestions, please feel free to contact the Congress Executive Committee via email at komur.kongresi@gmail.com

On behalf of the Executive Committee, we once again extend a warm invitation to our esteemed colleagues to join us at the congress and share their valuable scientific contributions. Your participation and expertise will undoubtedly enrich the event and advance the field of coal mining.

Thank you for your attention and continued support.

Sincerely,

Prof. Dr. Kemal BARIŞ
Congress Chairman

Dr. Erdoğan KAYMAKÇI
